Baisakhi Celebration

The festival of Baisakhi was celebrated with zest and zeal in Cambridge International School, Phagwara. A special assembly was organized for the little ones of kindergarten. They were explained about the importance of the festival by showcasing Punjabi culture. A colourful programme depicting the culture of Punjab was also presented by little ones. The motive behind the celebration was to apprise students of their rich culture and heritage.

Talent Hunt

“Talent is something rare, beautiful and precious and it must not be allowed to go to waste”. School has been providing various opportunities to students to bring out their inherent talents. In order to give them a platform to showcase their talents and uniqueness, Cambridge International School, Phagwara organized “Talent Hunt Activity” for kindergarten students. All the newcomers participated in various categories like singing, dancing, enactments, painting etc and performed very well in the same. There was a complete ambience of joy where smiles were indicating the sense of involvement.

Earth day and Free hand drawing competition

As a step towards inspiring, educating and motivating children to act in a constructive manner, a special assembly was conducted in Cambridge International School, Phagwara to commemorate **Earth day**. The assembly began with the choir singing on the importance of Earth day. This was followed by the thought for the day and slogans related to Earth day.

Also, a **Free hand drawing and craft activity** was organized, where students were told about their responsibilities towards the “**Mother Earth**”. All the students participated with full aplomb and enthusiasm and were all encouraged by their teachers and Principal Sir.

Show & Tell Competition

[Back to main page](#)

In the primary wing of Cambridge International School, 'A Show And Tell Competition' was held in the last week of month April 2024.

On the day of the first round of the Show and Tell competition, the classrooms were filled with eager. Grade 1 and Grade 2 students was ready to showcase their special items that made them happy. The students were asked to bring in their chosen things and share why those items brought them joy. The classrooms were filled with a buzz of excitement as each student took their turn to present.

Among the participants, a range of items were shared, including favorite toys, books, drawings, and even some sentimental objects like family photos and gifts. The students spoke with enthusiasm and creativity, expressing their happiness in different ways.

After the first round, a selected group of students were chosen to advance to the final round. On the **24th April 2024** and **25th April 2024**, the final round of the competition took place. The finalists brought their items back to school and presented them once again their special item with pride.

Finally, after all the presentations, the winners were announced. The students who captivated the audience with their stories and brought joy to everyone with their chosen items were awarded merit certificates by the school Principal, Mr. Jorawar Singh. The chairperson Mrs. Jasbir Bassi congratulated all the young participants for their performances.

Happiness is Homemade

On May 3, 2024, Cambridge International School held an exciting and educational cooking activity for Grade 1 and 2 students. The event aimed to introduce young learners to the basics of cooking, promote healthy eating habits, and enhance their understanding of food preparation and kitchen safety. Students were divided into small groups and rotated through various cooking stations. Each station focused on a different aspect of meal preparation, including washing vegetables, mixing ingredients, and simple cooking techniques. One of the highlights was the creative food art station, where students used fruits and vegetables to create fun and colorful designs on their plates. This activity encouraged creativity and made healthy eating more enjoyable. After the cooking activities, students had the opportunity to taste the dishes they had prepared. They shared their creations with classmates, promoting a sense of community and pride in their culinary efforts.

The cooking activity was a resounding success. The event not only enhanced their culinary skills but also encouraged healthy eating habits and teamwork. The school looks forward to organizing more such activities in the future to continue fostering holistic development in young learners.

Declamation Competition

In the month of April Cambridge International School organised a Declamation Competition for classes IX-XII wherein students participated with zeal and zest. They had to prove themselves in a semifinal round to reach the finals where they opined on different topics. For class IX-X the topics were 'Ensuring A Safe And Sustainable Environment For The Next Generation' and 'All of us do not have equal talent- respect individual differences' and class XI- XII the topics 'Student bullies should be expelled' and 'Importance of Social Customs and Etiquettes in Indian Society' were chosen. In this competition Jasmine stood first, Dishita second and Meemansa got third position from classes XI & XII. From classes IX & X Kashish Sharma grabbed first position, Seepika stood second and Japneet & Sargun held third position.
