SCIENCE-O-MANIA

Cambridge International School recently organized an event **SCIENCE-O-MANIA** aimed at promoting Science & Innovation, fostering logical thinking, and inspiring curiosity about science among young students. The event commenced with a warm welcome extended to the dignitaries of the school and judges. First and foremost, an engaging skit was performed, highlighting the importance of critical thinking through the renowned story of Sir Isaac Newton's discovery of gravitational force. Fancy Dress Competition based on the theme Science & Innovation took place. Participants brought to life various scientific and innovative concepts from around the world, such as the Chandrayaan mission, artificial intelligence (AI), smart bulbs, smart devices, and rockets.

The school's Principal, Mr. Jorawar, expressed his heartfelt gratitude to everyone involved in making the event a success—from the organizing committee to the performers. He also encouraged students to adopt mindful approaches to science and innovation, emphasizing the significance of prioritizing sustainability. Merit certificates were awarded to Winners of Fancy Dress Competition. Special thanks were extended to the dedicated teachers, staff, and students, whose enthusiasm and hard work made the event truly memorable.
