## INDUCTION PROGRAMME

Transition is one of the most challenging event in a students' life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. Purpose of student induction programme is to help new students adjust and feel comfortable in new environment, inculcate in them the ethos and culture of the institution. A well planned event filled with fun games was organized for kindergarten students in the beginning of session.

## BAISAKHI CELEBRATION

The festival of Baisakhi was celebrated with zest and zeal in Cambridge International School, Phagwara. A special assembly was organized for the little ones of kindergarten. They were explained about the importance of the festival by showcasing Punjabi culture. A colourful programme depicting the culture of Punjab was also presented by little ones in which poems on “JAI JAVAN, JAI KISAN” were the main attraction. The motive behind the celebration was to apprise students of their rich culture and heritage.

## ORIENTATION

In Cambridge International School, Phagwara ,an orientation programme was organized for the parents of kindergarten classes. Teaching and monitoring methodologies were discussed with parents. All the kindergarten teachers along with the Coordinator, participated with full zeal and enthusiasam. All the queries of parents were resolved satisfactory, to make learning easier and interesting for their little ones.

## EARTH DAY CELEBRATIONS

As a step towards inspiring, educating and motivating children to act in a constructive manner, a special assembly was conducted in Cambridge International School, Phagwara to commemorate Earth day. The assembly began with the choir singing on the importance of Earth day. This was followed by the thought for the day and slogans related to Earth day.

Also, a role play was performed by little ones of kg2, where students were told about their responsibilities towards the “Mother Earth”. All the students participated with full aplomb and enthusiasm and were all encouraged by their teachers and Principal Sir.

## GOODIE FOODIE DAY

Food is our love language. Good food is the foundation of genuine happiness. Eat good feel good. Keeping in mind the taste and health of the kiddos.

We celebrated Goodie foodie day in kindergarten. Preparing the materials and setting up is the key to success. Little ones performed brilliantly in the activity.

## TALENT HUNT

Cambridge International School, Phagwara, organized "Talent Hunt Activity" for the kindergarten students. All the newcomers Participated in various categories Like Singing, dancing and enactment etc and they performed very well in the same.

## MOTHERS DAY CELEBRATION

Mother's day is a great opportunity to express gratitude for all the wonderful things our mothers do for us, each single day. It is a day to celebrate, and show respect and appreciation to our guardian angels. This special day was celebrated in Cambridge International School, Phagwara, in which the little ones appreciated the momentous role played by mothers in their lives. They presented songs, rhymes and dance performances dedicated to motherhood. Mothers took part in "Mom and Me" contest and performed beautifully on stage.

## FUN WITH BLOCKS

Blocks are a wonderful opportunity for children to build creative skills, develop motor skills, spatial awareness and so many more “building blocks” for their later learning. Additionally, working with blocks introduces opportunities for social interactions including negotiating, sharing, and problem-solving. Keeping the same in mind an activity was organized in kindergarten i.e Fun with blocks. Little ones were so excited while building their own creative task with their peer groups.

# MISSION NUTRITION

*"Healthy habits are not made in a day, but they begin with a single choice—and that choice can shape a lifetime."*

In honour of World Health Day, a week-long educational initiative titled 'Mission Nutrition' was conducted from 7th April to 11th April 2025 for Classes 1 and 2, aligning with one of Cambridge's core values—instilling lifelong healthy eating habits in young learners.

The programme aimed to nurture awareness and encourage practical application of nutrition knowledge in daily life. A thoughtfully curated 'Healthy Food Menu' was introduced for the week, promoting balanced, home-packed meals that students joyfully followed.

Children engaged in a series of vibrant, hands-on learning experiences, including:

**Designing their own 'Healthy Food Plate' converting it into Food mat**

**Sorting foods into Body-Building, Energy-Giving, and Protective categories**

**Participating in a Quiz Challenge on healthy vs. unhealthy food choices**

**Interactive food games promoting mindful eating habits**

The week was filled with enthusiasm, discovery, and positive changes, leaving young minds inspired to make healthier choices every day. The seeds of wellness have been sown early—and now, they grow with every bite!

# BAISAKHI CELEBRATION

Cambridge International School, Phagwara glows with Baisakhi Celebrations celebrating culture, colour & community spirit.

The spirit of Baisakhi came alive at Cambridge International School, Phagwara on 10th April 2024, as the Primary Wing lit up with joy, tradition, and cultural pride. Students, teachers, and staff joined hands to commemorate this harvest festival, which marks prosperity, gratitude, and new beginnings.

The school campus was beautifully adorned with colourful phulkari drapes, wheat sheaves, and handmade crafts that echoed the essence of rural Punjab. The air buzzed with the rhythm of traditional Punjabi beats, as students celebrated the day with zest and enthusiasm.

The highlight of the celebration was soulful folk songs, energetic Bhangra that pulsed with the beat of the dhol, graceful Gidha filled with expressive boliyan and synchronized movements

Principal Mr. Jorawar Singh encouraged the young learners to always stay connected to their heritage, remarking, *"Festivals like Baisakhi not only bring us joy but also remind us of the richness of our roots. I am immensely proud of our students who embraced the spirit of Punjab with such grace and enthusiasm."*

## PARENTS' ORIENTATION for GRADE 1

An orientation programme for the parents of students from Nursery to Grade I was held on April 19, 2025, at the school campus. The session aimed to welcome parents as '*partners in progress*' and to familiarize them with the school's curriculum, policies, teaching methodologies and co-scholastic initiatives.

The programme began with a warm welcome by the academic coordinators. They emphasized the school's vision and mission, with a focus on nurturing the holistic development of every child aligned with National Education Policy (NEP) 2020. The teachers introduced the academic framework across various subjects explaining the age-appropriate learning goals and the emphasis on experiential and play-based learning. To offer parents a hands-on experience of classroom learning, interactive activities were conducted, showcasing the kind of engaging teaching pedagogies used in daily lessons.

School Principal Mr. Jorawar Singh and Chairperson Ms. Jasvir Kaur Bassi expressed their appreciation for the parents' active involvement and reaffirmed the school's commitment to continue to uphold the highest standards of academic and moral excellence, nurturing well-rounded, confident learners and assured continued support in providing a safe, engaging, and enriching learning environment for every child.

## THE POWER OF EMPATHY IN YOUNG LEARNERS

To nurture empathy, safety, and kindness in our youngest learners, an interactive workshop titled **"Be a Buddy, Not a Bully"** was conducted for Grade 1 and 2 students. The session focused on helping students identify bullying behaviours, understand their impact, and choose kindness in their everyday actions. The session began with a fun and engaging introduction to the idea of a "safe school," where every child feels happy, included, and respected.

Using visuals and real-life examples, students learned to recognize different types of bullying—physical, verbal, and social. Children then took part in a role play to explore what bullying looks like and feels like—from hurtful teasing to being left out. This helped them relate emotionally and reflect on their actions. A special interactive game followed, where students identified whether certain actions were those of a "buddy" or a "bully"—using familiar classmate names to help them connect better. Laughter, learning, and thoughtful realizations filled the room! The workshop ended with a pledge to being kind and fair.

**The school's Principal, Mr. Jorawar Singh,** shared his thoughts, saying, *"Creating a safe and inclusive environment starts with our youngest learners. It is heartening to see our children engage so sincerely in learning about kindness and respect. Workshops like these lay the foundation for a compassionate school culture where every child feels valued and heard."*
