KINDERGARTEN

YELLOW DAY IN KINDERGARTEN

13.4.2026

In Cambridge International School Phagwara, Yellow day was celebrated in Kindergarten Block with joy and cheerful mood. Our tiny tots were wearing yellow attire, relished yellow food and brought yellow toys along with them.

Slogan such as "Hello hello hello, My name is Yellow, I am your fellow" was spoken by our tiny tots in the rally organized on yellow day.

22.4.2026

GREEN DAY IN KINDERGARTEN

Earth Day was celebrated with great enthusiasm at Cambridge International School to spread awareness about environmental protection and the importance of conserving nature.

The celebration began with a special assembly where students shared inspiring thoughts, speeches, poems, and slogans highlighting the need to protect our planet. Various activities such as poster making and tree plantation was organized for students of different classes.

Teachers encouraged students to adopt habits like saving water, reducing plastic use, planting trees, and keeping the surroundings clean. The young learners participated actively and expressed their commitment towards making the Earth cleaner, greener, and healthier.

The celebration successfully inspired students to become responsible citizens and develop love and respect for the environment.

24.4.2026

TALENT HUNT

A vibrant and exciting Talent Hunt Competition was organized at Cambridge International School to provide students with a platform to showcase their unique talents and creativity.

The event witnessed enthusiastic participation from students who displayed their abilities through singing, dancing, art, poetry recitation, storytelling, and various other performances. The stage came alive with confidence, energy, and creativity as students impressed the audience with their remarkable skills.

The Talent Hunt celebration concluded on a joyful note with applause, appreciation, and recognition for the outstanding performers.

25.4.2026

ORIENTATION

Cambridge International School organized an informative and interactive Orientation Day Programme to warmly welcome parents at the beginning of the new academic session.

The programme aimed to familiarize parents with the school's vision, curriculum, teaching methodology, rules and co-curricular activities. The school teachers introduced the academic structure and highlighted the importance of holistic development, discipline, and positive learning experiences.

Various presentations and interactive sessions were conducted to help parents understand classroom practices, assessment methods, and student support systems. The event also provided an opportunity for parents to interact with teachers and clarify their queries.

The Orientation Day created a positive and welcoming atmosphere, helping students and parents feel comfortable, confident, and excited for the new academic year ahead.

MOTHER'S DAY CELEBRATION

16.5.2026

Mother's Day was celebrated with great warmth and enthusiasm at Cambridge International School to honour the unconditional love, care, and sacrifices of mothers.

Students were engaged in variety of activities including card making, dances, songs, speeches, poems and special performances dedicated to their mothers. The celebration created a joyful and emotional atmosphere as children expressed their gratitude and affection through heartfelt messages and creative presentations.

Mothers were invited to participate in fun games and interactive activities with their children (MOM and ME), making the event memorable for everyone. Teachers emphasized the importance of respecting and appreciating mothers for their endless support and guidance. The celebration beautifully strengthened the bond between mothers and children and filled the day with smiles, happiness, and cherished memories.

FREE HAND DRAWING COMPETITION

22.5.2026

A Free Hand Drawing Competition was organized at Cambridge International School to encourage creativity, imagination, and artistic expression among students.

Students from different classes enthusiastically participated in the competition and showcased their artistic talents through colourful and creative drawings. The themes included "All About Me" allowing students to express their ideas freely through art. Our nursery students had also shown amazing skills in colouring competition.

The competition provided a wonderful platform for students to enhance their drawing skills, imagination and confidence. Teachers appreciated the originality, neatness, and creativity displayed by the participants.

YOUNG MINDS, COLORFUL IDEAS!

2.6.2026

JADUI PITARA IN ACTION

The **Jadui Pitara** workshop was an engaging and collaborative session designed to empower teachers with innovative tools and strategies for the **Foundational Stage** of learning. The focus was on enabling educators to create **hands-on, child-friendly resources** inspired by the NCERT's *Jaadui Pitaara* initiative, which emphasizes joyful, play-based, and experiential learning.

All the kindergarten teachers explored the variety of materials in *Jaadui Pitaara*—story cards, puppets, flashcards, activity books, and thematic games.

STRATEGIES FOR HAPPY CLASSROOM

3.6.2026

A workshop on "**Strategies for a Happy Classroom**" was conducted by the **Coordinator of Kindergarten Ms. Aradhana Kapoor** for the kindergarten teaching staff. The session focused on creating a positive, engaging, and emotionally supportive classroom environment that promotes overall growth and well-being of students.

The workshop also highlighted the importance of understanding the emotional needs of young learners, fostering inclusivity, and creating opportunities for creativity, exploration, and self-expression. Interactive discussions, real-life classroom examples, and engaging activities enabled teachers to reflect on their practices and exchange ideas for enhancing student happiness and engagement.

The session concluded with a reminder that a joyful classroom inspires curiosity, builds confidence, and lays a strong foundation for lifelong learning. The workshop was highly informative and motivating, equipping teachers with practical strategies to create a positive and enriching learning environment for every child.

Grade 1 to 2

06-04-2026

MISSION NUTRITION WEEK

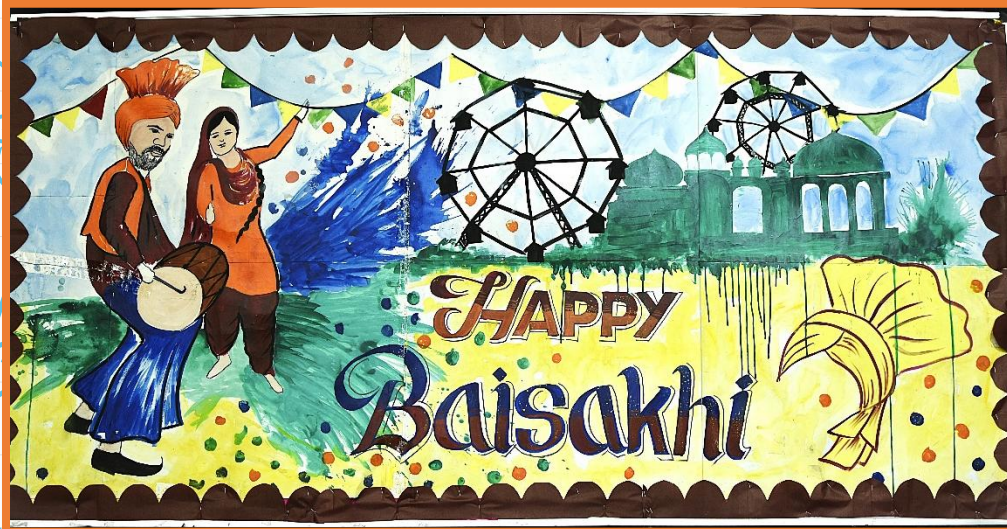

To promote healthy eating habits among young learners, the school organized Mission Nutrition Week. Throughout the week, students brought nutritious meals according to the daily menu shared by the school. The initiative encouraged children to develop healthy food choices, appreciate balanced diets, and understand the importance of nutrition for a healthy lifestyle.

The week concluded with the recognition of students who consistently followed the healthy meal plan. They were honoured with the title of "Health Enthusiast", motivating everyone to continue making healthy eating a daily habit.

Learning Outcomes: Developed awareness about balanced nutrition, encouraged healthy eating habits and freshly cooked food, reduced dependence on junk food & packed food, promoted variety in daily meals, fostered responsibility towards personal health.

BAISAKHI CELEBRATIONS

The vibrant festival of Baisakhi was celebrated with great enthusiasm and cultural pride. Students arrived dressed in colourful Punjabi traditional attire and showcased various cultural items such as traditional utensils, handicrafts, agricultural tools, and decorative articles. Teachers introduced students to the historical and cultural significance of Baisakhi through storytelling and interactive discussions. The celebration allowed children to connect with Punjab's rich heritage while enjoying folk music and festive cheer.

Highlights of the event were **Traditional Punjabi attire**, **Cultural display stalls**, **Awareness about Punjab's traditions and harvest festival** and **Interactive learning through storytelling**.

25th April 2026

GRADE I PARENT ORIENTATION PROGRAMME

To ensure a smooth transition for students entering Grade I, the school organized a Parents' Orientation Programme. Parents were warmly welcomed and introduced to the school's academic vision, the two-term calendar, curriculum, teaching methodologies, grading system, policies, safety procedures, and parent responsibilities for SY 2026–2027, school policies, and campus facilities. It helps parents understand schedules, assessments, communication channels, and how to support learners at home.

The session provided valuable insights into the learning journey ahead and emphasized the importance of strong collaboration between parents and teachers in nurturing every child's growth.

Parents' orientation laid a key foundation for smooth school operations and effective learner support throughout the academic year.

17th April 2026

ENGLISH MINI SPEAKS COMPETITION

To nurture confidence and effective communication, the school organized the English Mini Speaks Competition for students of Grades I and II. Participants confidently delivered short speeches on the topic "My Dream – What I Want to Be."

The competition provided every child with an opportunity to express ideas, improve pronunciation, and develop public speaking skills before an audience. Students impressed the judges with their creativity, confidence, and enthusiasm.

Learning Outcomes:

- Enhanced spoken English skills.
- Improved stage confidence.
- Encouraged creative thinking and self-expression.
- Developed effective communication abilities.

ART ATTACK

27th & 28th April 2026

Creativity came alive during the Art Attack Activity, where students transformed simple craft materials into colourful and imaginative masterpieces. The activity encouraged learners to experiment with colours, shapes, and designs while strengthening their artistic abilities.

Working independently and collaboratively, children explored their imagination, improved hand-eye coordination, and developed fine motor skills through engaging art and craft experiences.

Learning Outcomes:

- Fostered creativity and innovation.
- Enhanced fine motor skills.
- Improved concentration and patience.
- Built confidence through artistic expression.

LABOUR DAY CELEBRATION

30th April 2026

To instil the values of gratitude and respect, the school celebrated Labour Day by honouring the dedication and hard work of the support staff who contribute immensely to the smooth functioning of the school.

Students prepared colourful handmade appreciation sheets decorated with stickers, stars, and heartfelt messages. They expressed their gratitude by presenting these cards to the support staff, making the occasion memorable and meaningful.

The celebration helped children understand the dignity of labour and the importance of acknowledging every individual's contribution to society.

Learning Outcomes:

- Developed empathy and gratitude.
- Understood the dignity of labour.
- Encouraged respect for all professions.
- Promoted values of kindness and appreciation.

04-05-2026

ENGLISH SPELL BEE COMPETITION

To strengthen vocabulary, spelling accuracy, and language proficiency, the school has organized an **English Spell Bee Competition** on **4th May 2026**. Students were provided with a list of spellings to practice and memorize. The competition aims to improve children's writing and communication skills while building their confidence in using the English language. Outstanding performers will be honoured with certificates for their remarkable achievement.

08-05-2026

MOTHER'S DAY ACTIVITY INTEGRATED WITH MATHS

On **8th May 2026**, the school celebrated **Mother's Day** through a creative activity integrated with a **Maths Fest**. Students prepared colourful bead-based craft items using beads of different colours and strings. This hands-on activity helped children develop **fine motor skills**, **pattern recognition**, **counting abilities**, **creativity**, and appreciation for their mothers while making learning mathematics enjoyable and meaningful.

EMPOWERING EDUCATORS, ENHANCING LEARNING

01-06-2026

From June 1st to June 5th, 2026, Cambridge International School, Phagwara organized a comprehensive series of continuous professional development workshops and training sessions. This week-long initiative focused on disseminating advanced pedagogical practices, strengthening lesson delivery across subjects, integrating value-based education, and refining communication skills.

Grade 3 to 8

April 7, 2026

WORLD HEALTH DAY CELEBRATION

"Health is the foundation of happiness, success, and a better future."

To mark the occasion of World Health Day, Cambridge International School, Phagwara organized a special awareness session on April 7, 2026, aimed at promoting healthy habits and overall well-being among students. The school was privileged to welcome Dr. Vineet Sharma, a renowned Pediatrician with extensive experience in child healthcare, as the guest speaker for the event.

During the session, Dr. Sharma shared valuable insights on the importance of health and hygiene, emphasizing the role of proper nutrition, personal cleanliness, regular physical activity, and healthy lifestyle choices in maintaining good health. His informative and interactive talk encouraged students to adopt positive habits and become more aware of their physical and mental well-being.

The session proved to be highly engaging and educational, enriching students with practical knowledge that can be applied in their daily lives. The Principal of the school, Mr. Jorawar Singh, expressed his gratitude to Dr. Sharma for his enlightening address and encouraged students to follow the healthy practices discussed during the session.

The event was a great success and reinforced the importance of making health and hygiene a priority for a happier and healthier future.

BAISAKHI CELEBRATIONS

10 April 2026

A Baisakhi celebration was organized with great enthusiasm and joy at Cambridge International School, Phagwara, on 10 April 2026 for the students of Classes III to IX. Under the guidance of the teachers, the students presented vibrant Bhangra, Giddha, and Punjabi folk songs, making the event lively and enjoyable.

On this occasion, the students were informed about the historical and cultural significance of Baisakhi. They learned that Baisakhi is celebrated not only as the harvest festival but also as the day marking the foundation of the Khalsa Panth. The festival symbolizes prosperity, hard work, and new beginnings.

Principal, Mr. Zorawar Singh, encouraged the students to stay connected with their culture and traditions and extended his warm wishes to everyone on the occasion of Baisakhi. The celebration concluded on a joyful note and proved to be colourful, educational, and informative for all the participants.

EARTH DAY CELEBRATION

April 22, 2026

"The Earth is what we all have in common—let's protect it together."

Topic- Our power our planet

To celebrate Earth Day, Cambridge International School, Phagwara organized a Poster Making Activity on April 22, 2026, to create awareness among students about environmental conservation and the importance of protecting our planet.

Students enthusiastically participated in the activity, expressing their thoughts and creativity through colourful and meaningful posters. Their artwork highlighted important themes such as saving trees, reducing pollution, conserving water, recycling waste, and keeping the Earth clean and green. The activity encouraged students to reflect on their responsibility towards nature and inspired them to adopt eco-friendly practices in their daily lives.

Principal, *Mr. Jorawar Singh*, appreciated the students for their enthusiastic participation and creative efforts. He encouraged everyone to become responsible citizens by making small but meaningful contributions towards preserving the environment.

The event was a great success, spreading the message that every individual can make a positive difference in protecting our planet. Together, let us nurture nature and build a cleaner, greener, and healthier future.

JAL PAKHWARA AWARENESS PROGRAMME BY ECO CLUB

April 24, 2026

“Every drop of water is precious, and every effort to conserve it secures a better tomorrow.”

With the objective of promoting water conservation and environmental responsibility, the Eco Club of Cambridge International School, Phagwara, organized a Special Assembly on 24th April 2026 under the Jal Pakhwara Programme of EEP, Kapurthala. The programme was conducted under the able guidance of Principal Mr. Jorawar Singh to create awareness among students about the importance of preserving our most valuable natural resource—water.

During the assembly, more than 350 students of grade 6-8 enthusiastically took a pledge to conserve water and use it responsibly in their daily lives. An informative PowerPoint presentation highlighted the significance of rivers, the growing impact of pollution caused by human activities, and the urgent need to protect and restore our water resources. The presentation inspired students to understand that every individual has a vital role to play in ensuring a sustainable future.

The programme concluded with a powerful message encouraging everyone to adopt water-saving practices and become responsible custodians of the environment. The initiative was a great success, reinforcing the importance of water conservation and motivating students to contribute towards building a cleaner, greener, and more sustainable world.

Save Water Save Life

DEBATE COMPETITION

April 28, 2026

Debate is a powerful platform that nurtures critical thinking, effective communication, and confidence in young minds. Keeping this objective in mind, Cambridge International School, Phagwara organized the final round of the Grade VIII Debate Competition on April 28, 2026. The participants debated on the thought-provoking topic, "Can Media Credibility Be Sustained Amid Rising Misinformation?" and impressed the audience with their well-researched arguments, confidence, and persuasive speaking skills.

Amaira (VIII-B) secured the First Position, followed by Ishika (VIII-B) in the Second Position. Anahita (VIII-B) and Pranya (VIII-A) shared the Third Position for their commendable performances.

The event was a great success and provided students with an excellent opportunity to express their views on a contemporary issue while enhancing their public speaking and analytical skills. The School Managing Committee, Bassi Educational Society, along with Principal of the school, Mr. Jorawar Singh, congratulated the winners for their outstanding performances and encouraged all participants to continue developing their communication and leadership abilities. Certificates were awarded to the winners in recognition of their achievement.

29/04/26

HINDI POETRY RECITATION COMPETITION

Cambridge International School, Phagwara, managed by the Bassi Education Society, organized a **Hindi Poetry Recitation Competition** for students of Grades 3 to 5. The primary objective of the competition was to foster love and interest in the Hindi language, enhance students' pronunciation and speaking skills, and build their confidence and stage presence.

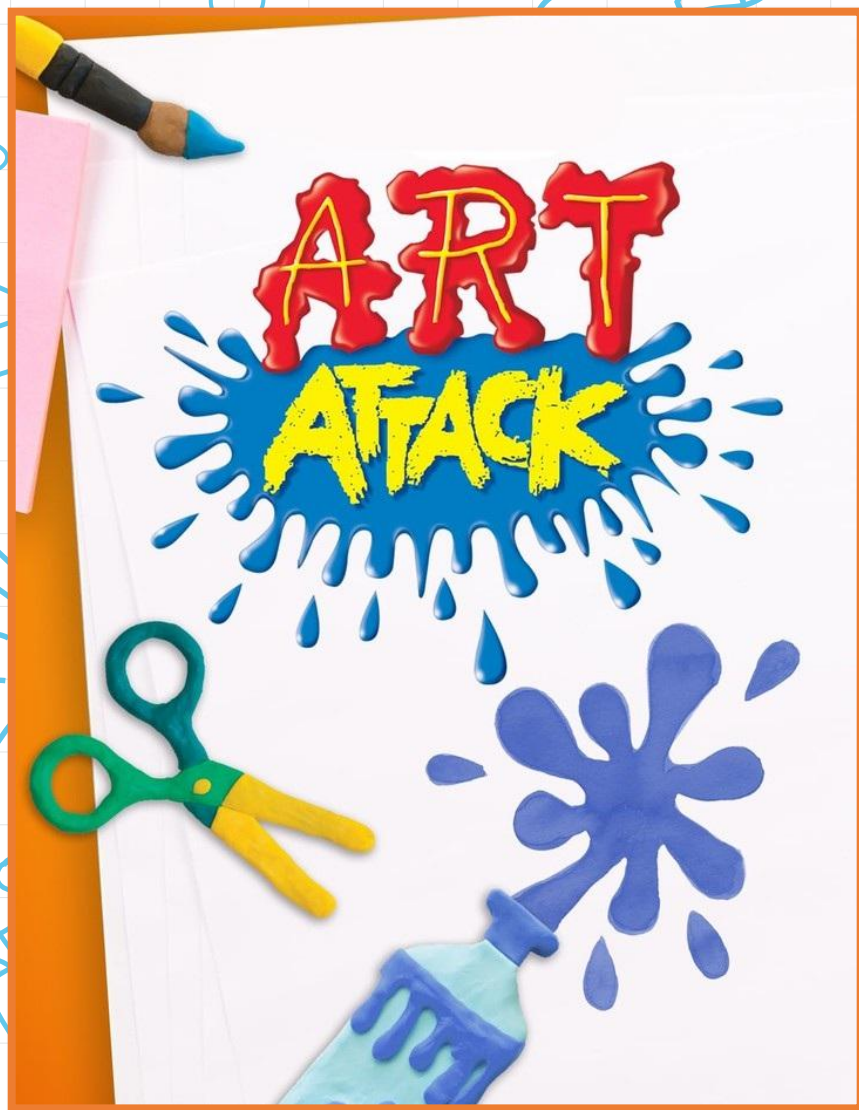

The event witnessed enthusiastic participation from all the students, who captivated the audience with their expressive recitations and impressive performances. Their dedication and talent were reflected in the excellent performances that earned them top positions.

Principal, Mr. Zorawar Singh Vijay, congratulated the winners and presented them with certificates. He appreciated their enthusiasm and encouraged them to continue participating in such activities with the same zeal and dedication.

The Chairperson of the school, Mrs. Jasbir Kaur Vasi, also extended her heartfelt congratulations and best wishes to all the participants for their commendable performances.

ART - ATTACK ACTIVITY

May 4, 2026

“Art is the expression of creativity, imagination, and values that inspire positive change.” To foster creativity and artistic expression, Cambridge International School, Phagwara, organized an Art Activity for the students of Grades VI–VIII on May 4, 2026. The activities encouraged students to showcase their imagination, creativity, and social awareness through various forms of art.

Students of Grade VI enthusiastically participated in the Paper Bag Making Activity based on the themes My Dream World, Go Green, Wildlife, Summer Season, and Festivals. Grade VII students displayed remarkable creativity in the Origami Activity, exploring the themes My Dream World, Go Green, Wildlife, and Summer Season. Grade VIII students expressed meaningful ideas through the Slogan Writing Activity on the themes Kindness and Respect, Say No to Drugs, Discipline, and Importance of Education.

The event witnessed enthusiastic participation from all students, who impressed everyone with their innovative ideas, artistic skills, and thoughtful presentations. The Principal of the school, Mr. Jorawar Singh, appreciated the students for their creativity and encouraged them to continue using art as a medium to express their ideas, values, and concern for society.

May 8, 2026

DECLAMATION COMPETITION

"Speak your mind. Inspire the world." Keeping this objective in mind, Cambridge International School, Phagwara organized the final round of the Grade VI & VII Declamation Competition on May 8, 2026. The participants from Grade VI delivered powerful speeches on the topic, "Mental Health Matters", while the students of Grade VII spoke eloquently on "Education without Moral Values is of No Use". They all impressed the audience with their well-researched arguments, confidence, and persuasive speaking skills.

In the Grade VI category, Nymah Rawal (VI-B), Hridaansh Singh Parmar (VI-B), Beyaa Kaur Sihota (VI-D), and Amayra Ranout (VI-D) secured the First Position. They were followed by Anhad Ghattaura (VI-E) in the Second Position, Nimrat Kaur (VI-B) in the Third Position, and Vivaan Arora (VI-D), who received the Consolation prize. In the Grade VII category, Vanya Chadha (VII-A) and Aarush Sharda (VII-D) claimed the First Position, while Aarvi (VII-B) and Mishti Gulati (VII-C) shared the Second Position. Kaiya Pandit (VII-C) secured the Third Position and Tanzil Kaura (VII-A) was awarded the Consolation prize. The School Managing Committee, Bassi Educational Society, along with the Principal of the school, Mr. Jorawar Singh, congratulated the winners for their outstanding performances and awarded certificates in recognition of their achievements.

TATA BUILDING ESSAY WRITING COMPETITION

Tata Building Essay Writing Competition was conducted for students of Classes IX to XII. The competition was held on the thought provoking topic, "The Contribution of Youth in Making India Self-Reliant", and witnessed enthusiastic participation from around 100 students. The event provided a valuable platform for students to express their ideas, creativity, and vision for the nation's future. Demonstrating exceptional writing skills and insightful perspectives, the following students emerged as winners first Position was secured by Shubhreet Kaur Hargun (Class XII D) and second position was taken by Sahana Thukral (Class XI E) and Tania Puri (Class XII C) grabbed the third position.

April, 2026

IAYP GOLD CEREMONY

Navreet Kaur Hargun, a bright and dedicated student of the school, was conferred the prestigious Gold Award under the International Award for Young People (IAYP) at a grand ceremony held in New Delhi which highlights her perseverance, discipline, and all-round development.

Adding further pride to the institution, Cambridge International School, Phagwara, was also honoured with the 'Best Performance Unit 2025' Award. This recognition stands as a testament to the school's consistent excellence and dedicated efforts in successfully implementing the IAYP programme. The award was received by Award Leader Rupinder Kaur on behalf of the school.

CELEBRATION OF EARTH DAY

The school celebrated *Earth Day* with great zeal and enthusiasm, reaffirming its commitment to sustainability and environmental responsibility wherein students of Grades IX and X, actively participated in programmes like **slogan writing**, creative hands-on activities like preparation of **eco-friendly bookmarks and paperweights**, along with the innovative conversion of **reusable materials into decorative planters**, underscoring the importance of recycling and reuse. Adding to the spirit of conservation, students engaged in **sapling plantation**, contributing to the school's green cover. The event also showcased **student-led PowerPoint presentations**, which highlighted practical steps towards environmental conservation.

DEBATE COMPETITION

APRIL 28, 2026

A vibrant Inter-Class Debate Competition was organised that witnessed spirited participation from Grades VIII to XII. In Grades VIII- X, the topic for debate was "Can media credibility be sustained amid rising misinformation?" From Grade VIII, Amaira secured the first position, Ishika stood second, while Pranaya and Anahita shared the third place, and from Grade IX and X Shrishti and Diwanshi jointly won the first position, Harnoor Kaur stood second, and Tanishqa bagged the third place.

The senior category, Grades XI and XII, deliberated on "Is genetic engineering ethical if used to prevent diseases?" and "Is cryptocurrency a threat to global financial stability?", where Sahana Thukral clinched the first position, Harleen Kaur came second, and Diksha Sharma secured third place. Adding to the excitement, special titles were conferred upon outstanding debaters: Manya (VIII) was recognized as the *Finest Critical Thinker*, Hargun Kaur Jaggi (IX) received the *Voice of Reason Award*, Sargun Kaur (XI) was honored as the *Impactful Speaker*, Jassimar Kaur (XII) as the *Confident Speaker*, and Hazilveer Kaur (XII) as the *Authentic Speaker*.

INSPIRE MANAK AWARDS 2025

Kashish Sharma (Grade 10) has been selected for the Regional Level of the prestigious INSPIRE MANAK Awards 2025, a flagship innovation programme of the Department of Science and Technology, Government of India. The project, "AI-Based Autonomous Pothole Detection and Repairing Bot," has also received a ₹10,000 grant for prototype development. This achievement highlights the student's innovative thinking and dedication to developing technology-driven solutions for real-world challenges.

TRIP TO CHAIL

MAY 30-JUNE 5, 2026

An Educational trip was organised for the students of Grades VI-XII to Chail, Shimla wherein students involved themselves in various activities like zip lining, valley crossing, Burma Bridge Crossing, Trekking. This trip taught responsibility and sincerity. The students were also taken to an Adventure Park which added rejuvenation to them.

CBSE BOARD RESULT CLASS X

The school has once again achieved excellent results in the Class 10 CBSE examinations for the academic session 2025–26, maintaining a 100% pass percentage. Japneet Kaur secured the top position with an outstanding 99.4% marks, bringing pride to the school. A total of 15 students scored above 95%, including Japneet Kaur, Blossom Kaur, Angel Kaushal, Sargun Kaur, Kashish Sharma, Mannat Sharma, Shreya Uppal, Nichelle, Nikunj Aggrawal, Sahana Thukral, Hanisha Joshi, Paavni Khanna, Parush Kumar Mall, Aaryan Pathak, and Hargun Singh Ghumman. In subject-wise excellence, 11 students achieved perfect scores (100/100) in various subjects. Three students in English, One in Mathematics Standard, three students in Social Science and four students in Information Technology. INVESTITURE CEREMONY

May, 2026

The school organised Investiture Ceremony for the academic session 2026-27 with great zeal and dignity. The ceremony marked the formal appointment of the newly elected Student Council members, who pledged to uphold the values and responsibilities entrusted to them.

The event commenced with the ceremonial sash presentation to the newly elected office bearers. Gautam Gulati of Class XII D was appointed as the Head Boy, while Jasmin Kaur of Class XII E took charge as the Head Girl. Aditya Krishan Handa and Khushi Garg were honoured as the Vice Head Boy and Vice Head Girl respectively.

The ceremony also recognized the dedication and leadership potential of students appointed to various positions including House Captains, Vice House Captains, Discipline Heads, Club Incharges, Sports Captains, Activity Captains, and Class Representatives. The students pledged to perform their duties with sincerity, discipline, and commitment.
